Trans Men Scotland is a support group for all female to male transgender people. You are eligible to join the group if you identify as someone who was born or assigned female and consider this to be an incomplete description and you identify as male some or all of the time. We use the term transman as an inclusive description of all who might choose to use the support of Trans Men Scotland. Associate membership is available to those under 16 years of age. Members under 16 can attend support group meetings by prior arrangement.

If you are under 18 years of age please tell us your current age and date of birth
